

Welcome to the Club...

It's the Premier Savings Club

Smart consumers have known for many years that planned saving for college tuition, investments, or medical funds takes the crisis out of the crisis! Why.....because they can better plan their expenses. It's easier, and it's smarter. Well, at **CSCM Heating & Cooling** we have made it simple to eliminate the crisis repair bill or put in a new high efficiency system. Instead of a "cash crunch crisis"..... you can save and accrue on a planned basis for up to two years...

with the **CSCM Premier Savings Agreement**.

What is an PREMIER Savings Agreement?

The **Premier Savings Agreement** is regularly scheduled maintenance on your home's heating & air conditioning system. Just like changing the oil in your car, your home's total comfort system **DOES** need regular maintenance to keep it operating at peak efficiency and lower the risk of a crisis failure. We will come twice a year on a regular schedule to inspect your home's total comfort system, including the air conditioner, heat pump, furnace, coil, drains, and thermostat to insure they are operating properly.

What do you get with your Membership Privileges?

Your home's comfort system may not seem exciting, but it is critical to your home's well being. As a Premier Savings Club Member you will get the following:

- ▶ 3 Precision Tune-ups the 1st year of membership, 2 each year thereafter
- ▶ Peace of mind you will be saving money on utility costs
- ▶ A 15% discount on all service repairs
- ▶ Preferred service - PSA members receive priority if you need service
- ▶ Improved home indoor air quality as a result of a cleaner system
- ▶ Owning a PSA from **CSCM** will satisfy the maintenance requirements for any extended warranty you may own
- ▶ No overtime charges for as long as you own a Premier Savings Agreement

Most importantly, you get our Premier Savings Satisfaction Guarantee. If you are not completely satisfied with our people, our performance or anything to do with our company, we will refund 100% of your money.

All for only \$ 120.00 a year, or \$ 10.00 a month

Why is this a good deal for me?

Statistically, it is almost a certainty that you will need a comfort system repair within the next two years, so the Premier Savings Club is a wise choice. You save money while we maintain your home's total comfort system, which reduces the chance of a crisis when you least expect it
